

MULLAMURI VENKATARAO

Software Developer Intern

+91-9392584484 @mvenkychowdary9999@gmail.com Guntur,INDIA

SKILLS

Programming

SQL Python HTML CSS

DSA

Data

Oracle SQL

OBJECTIVE

Final year IT graduate who is really passionate about software development. Proficient with SQL, Data structures and algorithms, python and its advanced level analysis frameworks.

EDUCATION

B.Tech Information Technology

Anil Neerukonda Institute of Technology

2020 - Present Visakhapatnam,INDIA

GPA

8.47 / 10.0

STRENGTHS

Programming Skills

Proficiency in programming languages like python, and DSA as fundamental for a software developer. The ability to write clean, efficient, and maintainable code.

Learning Agility

Having a desire in software development is ever-evolving. Being open to learning new technologies and adapt to changes in the industry

Teamwork and Collaboration

Being able to work efficient in a team, communicate ideas and participate constructively in discussions.

PROJECTS

ATM PROTOTYPE USING JAVA

An ATM prototype developed using Java and Oracle database is a robust and efficient financial services simulation system. You can use it to take out cash, put money in, check your balance, and even move money around. The database part makes sure all your account stuff stays safe and organized, like a secret vault for your banking needs. This prototype sets the stage for a really awesome and reliable ATM system, making your banking experience smooth and secure.

E-commerce Website

I developed a dynamic and visually appealing e-commerce website for shopping clothes using HTML, CSS, and JavaScript. This project aimed to provide users with a seamless and enjoyable online shopping experience. The website's frontend design and functionality were meticulously crafted to meet modern e-commerce standards and user expectations.
